Dear Mayor Champagne,

Thank you for contributing to the development of the Active Shooter Workshop and providing closing remarks. We appreciate the fact you took time out of your busy schedule to attend and we hope you found the workshop informative and worthwhile. Our goal was to increase your understanding of active shooter incidents and to introduce resources that will support your municipality's planning efforts.

The presenters did an outstanding job of sharing their expertise. Thank you for your comments and suggestions and I assure you that each will be given consideration so that future workshops will be even more of a success.

If we can be of help in any way, or if you have questions, please feel free to contact Bureau chief David Leonardis at David.Leonardis@ohsp.state.nj.us. Again, thank you for your participation in OHSP's Active Shooter Workshop.

I look forward to a continued partnership.

Best Regards,

Edward Dickson
Director
